## Nasi Goreng Satu Juta

Recommended for two - IDR 1.000.000++

Nasi Goreng has been ranked as one of the world's most delicious dishes.

In honor of this the chefs at Hanging Gardens of Bali have created the ultimate dish of fried rice.

Made from carefully selected single crop organic rice, this extravagant dish includes fresh scallops, salted golden egg yolk mayo

The chef carefully fries each ingredient separately in a smoking hot wok creating "the breath of the wok" delicately seasoning to create an indescribable "umami" flavor

The finished rice is served with baked lobster, pork ribs, Balinese duck curry, sambal udang, red snapper sambal matah and sate ayam
